Re: Clarifications Measure 3 and 4 of the Xlokk Local Development Strategy

To whom it may concern,

The GAL XLOKK Foundation (GXF) is publishing this clarification in relation to the submission of applications under *measure 3 (Promotion of the Cultural Heritage)* and *measure 4 (Development of Green infrastructure)*, with their deadline being 23rd March 2020, at noon and 30th March 2020, at noon respectively.

Considering the current COVID-19 situation, the GXF is notifying prospective applicants of both measures that until further notice applications will be accepted only via email on info@galxlokk.com. Full signed applications including at least all the compulsory supporting documentation, quotations, estimates as per measures' guidance notes should be submitted. In the case of Local Councils, the application form/s should be signed by both the Mayor and the Executive Secretary.

Therefore, due to the same COVID-19 issue, the GXF reserves the right to provide additional time to applicants in order to submit the rest of the documents, **which are not indicated as compulsory at application stage**. The list which is not an exhaustive one, includes the VAT Declaration Form, the VO Certificate and its compliance certificate, the Jobs Plus Certificate, PA site plans and the FSS / SSC Clearance Certificate.

The GXF will be sending a receipt for each application. Each applicant will be asked to submit the original applications and supporting documentation together with another copy at a later stage.

Do not hesitate to contact us for further info.
