

M19.2 (LEADER PROGRAMME 2014 - 2020)

Measure 4 (2nd call)

Development of Green Infrastructure

Summary of Applications Received (2nd set)

Deadline: 30th March 2020, at noon

	Applicant Name	Date Received	Time Received
GXF/4/014	Nature Trust	30/03/2020	11.50

NOTICE:

In the mean time, the Foundation would like to inform interested applicants that funds under the above-mentioned measure are still available. The guidance notes and application form of the measure can be downloaded from the website's documents section: <https://galxlokk.com/category/documents/>

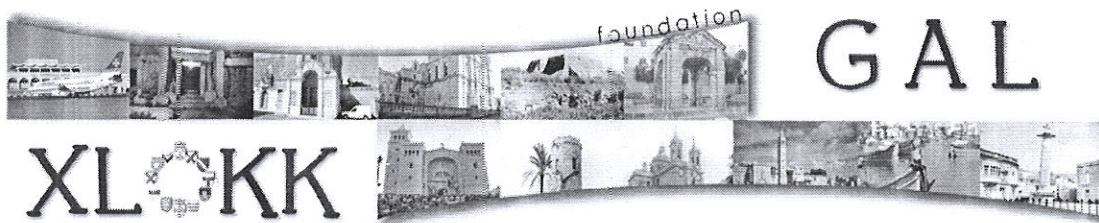

The deadline for the next set of applications is 6th May 2020, at noon.

1. Procedure for the receipt of applications during the ongoing COVID-19 outbreak

Prospective applicants are to note that given the evolving nature of the COVID-19 outbreak, only soft copies sent via email to info@galxlokk.com will be accepted; no hard copy of applications, whether submitted by mail, by hand or any other means, will be accepted until further notice. Likewise, no pen-drives, cd's etc will be accepted. Only applications that successfully reach the working mailbox info@galxlokk.com by the close of deadline will be considered. It remains the responsibility of the applicant to ensure that the application was successfully delivered.

Prospective applicants are strongly advised to avoid submitting applications on the last day of the batch, in order to ensure that technical hitches of any sort do not hinder the successful receipt of applications. Applicants are encouraged to send their applications in one compressed zipped folder, with each documentation clearly labelled.

The GXF will continue to monitor this evolving situation and will keep all informed, as necessary, in future updates. If you have any additional questions, please contact the GXF on info@galxlokk.com

This notification supersedes any conflicting notice contained on the application form, guidance notes, website or other media used by the GXF to communicate such matters.

2. Obligatory documentation in applications

Prospective applicants are to note that given the evolving nature of the COVID-19 outbreak, any documentation previously listed in Measure guidelines and respective application forms as 'Compulsory' will, unless otherwise notified, be considered as 'Required' documentation. Hence, submitted applications with missing 'Compulsory documentation' will be deemed admissible. The applicants will be advised further, during the evaluation process, with regards to the submission of any necessary documentation.
